

# CULTURAL INTERSEK BUDAPEST-2018

## **Contest / Activity:** SEK / IES Puzzle

**THEME:** Photo Puzzle

**PERSON IN CHARGE:** Patrick Nicholas Tayler; [patrick.tayler@iesmail.com](mailto:patrick.tayler@iesmail.com)

**PARTICIPANTS:** All SEK / IES institution delegates can participate, who are enrolled in the 2018 Budapest Cultural InterSEK.

**MODALITY:** ACTIVITY. Puzzle pieces are created previously and then transported to location, where they are to be assembled.

**OBJECTIVES:** The objective is to create a collective image showing each entering institutions' school, city and country in a large-scale mural piece, which consist of two central pieces with the logos of SEK and IES institutions. The objective is to show students that all SEK / IES institutions interlink to provide a holistic tuition for enrolled students, who are not just citizens of their given nation but also world citizens presenting the SEK / IES standards on an international level.

**TECHNIQUE:** Collage of photos representing your school, city and country, with the school logo included into the composition.

**FORMAT:** 50 x 50 cm x 3 mm.

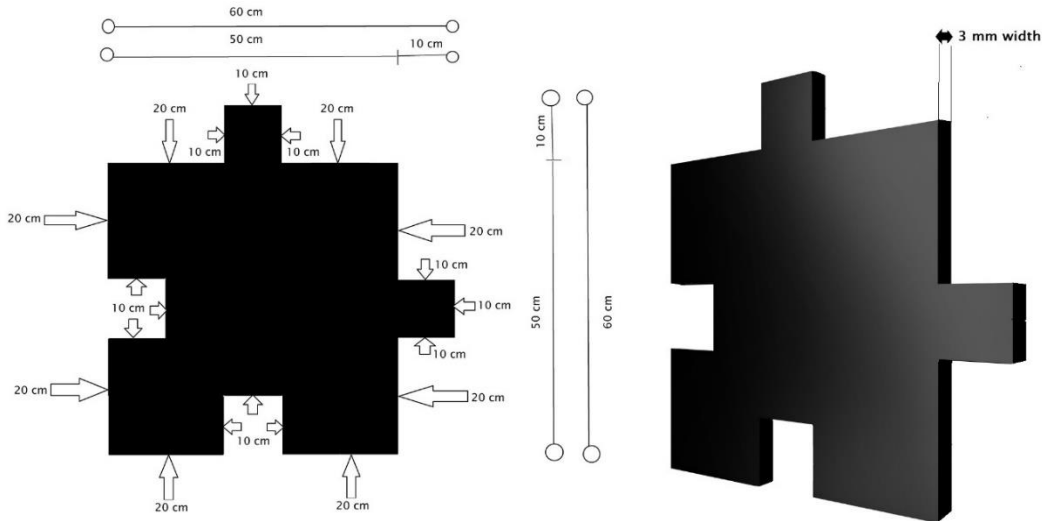

The exact shape and size of the puzzle will be sent to each school respectively. **(The image below serves only as an illustration!)**

# CULTURAL INTERSEK BUDAPEST-2018

SEK BUDAPEST  
INTERNATIONAL SCHOOL  
HUNGARY

**MATERIAL:** Photography-collage pasted on 3 mm wooden board

**WORK METHODOLOGY:** Each participating group gets the precise dimensions of the puzzle piece, and then they create their design in their own country, which reflects their **school, city** and **country**. This piece will be transported to SEK Budapest by each group respectively and installed into the final puzzle.

**REGULATIONS:** The photos should not have any inappropriate content, or any content that is in opposition with the mission statement of the institution.
